"My fear is not that our great movement, known as the Methodists, will eventually cease to exist or one day die from the earth. My fear is that our people will become content to live without the fire, the power, the excitement, the supernatural element that makes us great. -John Wesley

God has now revealed to us his mysterious will regarding Christ—which is to fulfill his own good plan.

And this is the plan: At the right time he will bring everything together under the authority of Christ—

everything in heaven and on earth.

Furthermore, because we are united with Christ, we have received an inheritance from God.

for he chose us in advance,

and he makes everything work out according to his plan.
