“My fear is not that our great movement, known as the Methodists, will eventually cease to exist or one day die from the earth. My fear is that our people will become content to live without the fire, the power, the excitement, the supernatural element that makes us great. –John Wesley

[Romans 8:24-25](#) (TPT)

For this
is the hope of our salvation.

But hope means that we must trust
and wait for what is still unseen.

For why would we need to hope
for something we already have?

So because our hope is set
on what is yet to be seen,

we patiently keep on waiting
for its fulfillment.
