"My fear is not that our great movement, known as the Methodists, will eventually cease to exist or one day die from the earth. My fear is that our people will become content to live without the fire, the power, the excitement, the supernatural element that makes us great. –John Wesley

Romans 12:3-6 (NLT)

Because of the privilege and authority God has given me, I give each of you this warning:

Don't think you are better than you really are.

Be honest in your evaluation of yourselves,
measuring yourselves by the faith God has given us.

Just as our bodies have many parts
and each part has a special function,

so it is with Christ's body.
We are many parts of one body, and we all belong to each other.
