July 25 8a – 12 noon - Wabash Valley 83 Cluster is working with SAWs....Servants at Work, a non-profit, volunteer organization. We specialize in building wooden wheelchair ramps for low-income, permanently disabled individuals. With the help of volunteers, lives are changed - one ramp at a time, and in less than six hours, we transform a client's life FOREVER. Milwaukee Tool has donated new building tools. Many volunteers bring their own favorite working tools. The location of the build will be determined closer to the time of Serve The Valley. There is generally a ramp build is scheduled in the Wabash Valley every

weekend. Register for this build at

Interested in learning a new skill, expanding your technical abilities? Assistance is needed in preparing the “script” for Sundays to be projected on the screens. Additional help for running the system on Sundays would be gladly accepted to make sure we have a ‘pool’ of folks who can help.
